

BEAR 胖熊

Design by Santiago Sevillano

编号: D02-1

“Fat Bear, Fit Life”，用饱满身形和愉快的曲线化解城市的冷硬质感， BEAR横卧于家中，是随时等待为你开放的拥抱。BEAR的特色在于全身流线的雕塑感，和细金属滚边的精制工艺，整个系列让人想起童年最爱的熊宝宝，友爱，温暖，厚实，是你全身心的依赖。

BEAR armchair benefits from a very welcoming design that evokes a sense of warmth and comfort. The piece comes with thin tubular metal edging at its base and finds itself to be very versatile and fitting in various spaces and atmospheres such as living rooms, sitting rooms, etc.
